## **Garfield Heights In-House Hockey Program For the Beginning Hockey Player - Ages 4-9**

The Garfield Heights Muni Hockey Program invites you to become a part of a new Introductory activity for those who would love to play hockey but have never had the opportunity to try the fast-paced sport.

It's a great opportunity for those who have no knowledge of the sport or have heard that to join a hockey program will be unaffordable or too-time consuming.

For just \$25 dollars, plus the cost of a Garfield Heights Recreation ID card, you can experience hockey in a ten-week session which will include a four game "in-house" schedule, and use of necessary protective equipment. All you need is skates and a stick.

The program's activities will consist of skating instruction, the fundamentals of hockey and cross-ice games with an emphasis on having fun. The on-ice instruction will be provided by a combination of USA Hockey certified instructors and local high-school hockey players.

The first 10 week session will begin on Saturday October 2nd and will conclude on Saturday December 18th. The weekly sessions will be 1 hour on Saturday mornings starting at 11:30am. All sessions will be at the Dan Kostel Recreation Center Ice Rink in Garfield Heights.

For more information or to be part of this in-house experience, please call the numbers below or visit the Garfield Heights Recreation Department for registration.

Looking forward to seeing you as part of the *Coollest game in town!*

Please call the Recreation Department at 216-475-7272 or Mike Cordish at 216-299-5814 for information.
