

Are you aware the Garfield Heights Recreation Ice Skating Rink is basically in your back yard, centrally located near I-480 at exit 21 and easily accessible from anywhere in North East Ohio?

Beginning in the month of September through April, the Parks and Recreation Department will be offering Field Trip Fun Days, Group Rentals, hourly ice rentals for hockey or figure skating events, and “Special Events” that are yet to be determined as we approach our ice skating season.

Our ice rink is able to accommodate large groups of classes, day care centers, private church groups, families, girl/boy scout troupes, etc. up to about 100, as we are limited to our rental skates. We have available ice-time and have established reasonable rates for these “Special Events or Fund Raising.” We await your call, we are flexible, and will try our best to accommodate your needs, and customize for your individual unique group outing.

All large groups can either pay an hourly rate or we can customize your event with reduced group rates that include rental skates per person. We also offer smaller birthday skating parties *during public sessions*, up to 40 when using our community room facility.

Some of the events we have had here in the past are: local school awards days & fun field trip days, Native Sons & Daughters, High School Alumni games, Muni Hockey Alumni games, Elmwood “Paws” group, Nordonia PTA groups, St. Barnabas PTA groups, Creative Early Learning Day Care Center, and many other private clubs, schools and organizations.

We also have our Annual Events such as Celebrate Skate Day, Halloween Skate, Holiday Tree Lighting Skate, Skate with Santa, and during the Season will have other random fun –filled “themed” events!

We offer group figure skating lessons for beginners as well as the more advanced, in-house hockey for the beginner, as well as travel hockey, we are Home Ice to Two (2) High Schools and several Club Ice Teams.

If you are interested in having an event here or need further information please contact the Recreation Director at rdobies@garfieldhts.org or assistant at mnichols@garfieldhts.org

Or simply call us at 216-475-7272 press “0” & schedule your event!

Click below to any of our other programs of interest & view photos from past events held at the Dan Kostel Recreation Center, not only in the fall and winter months, but summer too!
