From the desk of Senior Center Manager, Joe Snyder

Spring is officially here! Although we may still be fighting some less than ideal weather from time to time, I do think we have finally broken away from Winter! Hopefully that means more sunshine, more outside activities, and a little more daylight throughout the week to pull us from the winter blues! At this point, I am sure that most, if not all, of you have been able to meet our new Administrative Assistant, Jenn. Jenn has been extremely helpful to us already here in the Senior Center and I can only imagine how she will continue to be of help. We were also able to finally start Cardio Drumming during this past month, which has already shown to be immensely popular! We are in the process of ordering a little bit more equipment so that we can have even more participants! The Easter Egg hunt that Carolyn put together went off without a hitch and looked to be a lot of fun, so if you haven't already, be sure to reach out to her to thank her for setting that up! It seems like things are slowly but surely starting to normalize around here as we (hopefully) leave the problems of COVID behind us. Let's keep looking forward to newer and better things to accompany us into this spring and summer!
