AN ORDINANCE AUTHORIZING AND DIRECTING THE MAYOR TO ENTER INTO AN AGREEMENT WITH SOFTWARE SOLUTIONS FOR THE PURCHASE, INSTALLATION, MAINTENANCE, AND TRAINING OF UPGRADED FINANCIAL SOFTWARE FOR THE FINANCE DEPARTMENT

WHEREAS, In Garfield Heights Ordinance 80-2010, City Council authorized the Mayor, or his designee, to enter into an agreement the Regional Income Tax Agency ("RITA") for the purchase, installation, maintenance, and training for new financial and accounting software, and

WHEREAS, in Garfield Heights Ordinance 48-2019, City Council authorized the Mayor, or his designee, to enter into an agreement Software Solutions for maintenance and training for the financial and accounting software purchased under Ordinance 80-2010, as RITA ceased to provide that service, and

WHEREAS, currently, the software being used by the City is becoming obsolete and will no longer receive updates, and

WHEREAS, accordingly, the City wishes to enter into an agreement with Software Solutions to upgrade its current financial software to VIP Accounting Suite at a cost not to exceed \$160,000.00, and

WHEREAS, this matter will not be bid as this an upgrade to our current software package, making the purchasing partner a sole source of this product.

NOW, THEREFORE BE IT ORDAINED BY THE COUNCIL OF THE CITY OF GARFIELD HEIGHTS, OHIO, THAT:

SECTION 1. The Mayor be and he is hereby authorized and directed to enter into an agreement with Software Solutions (attached hereto as Exhibit A and incorporated as if fully written within), for the purchase, installation, maintenance and training of upgrading financial software for the Finance Department.

SECTION 2. The Finance Director is hereby authorized and directed to issue her vouchers of the City for the purpose set forth in Section 1. hereof, said vouchers to be charged to the appropriate fund.

SECTION 3. This Ordinance shall take effect and be in full force from and after the earliest period allowed by law.

Notes

Software prices quoted are valid for 90 days.

Conversion is quoted for the current year and two years of history. It is recommended the city maintain eGov to look up transactions that are not converted.

Software Assurance maintenance and support fees are \$7,748 annually and begin after the scheduled go live date. First year support will be prorated to match the city's current maintenance schedule.

The VIP software utilizes blank stock printing for W2s and 1099s and emailing paystubs are included with the application.

Applications include electronic banking capabilities as part of the applications. These include such things as ACH, Direct Deposit, EFT, etc.

The Edge check printing solution second year maintenance will be invoiced directly by Edge and the estimated cost is \$925.

VIP Analytics includes base installation and configuration of standard templates for VIP Budgeting, Reporting and Console. Additional services can be quoted on a per project basis. Scope document available upon request.

VIP software requires a Windows Server running SQL. See hardware specifications provided separately. VIP is also available as a cloud-based product that is hosted by Amazon Web Services (AWS). The city may choose the more robust option of VIP Cloud for hosting the software. This is quoted separately, if the county chooses to go to the cloud for added security, flexibility and disaster recovery.

VIP Analytics Personnel Budgeting and VIP General Billing is not quoted but can be quoted at any time.

Terms: 10% down is required at time of the signing. 60% due when sandbox is delivered and 30% due on Go Live scheduled date. Payment plans are available upon request.
