ORDINANCE NO.: 85-2024

SPONSORED BY: MAYOR MATTHEW A. BURKE

AN EMERGENCY ORDINANCE AMENDING AND
SUPPLEMENTING ORDINANCE 66-2024, THE CITY OF
GARFIELD HEIGHTS' PLAN OF CLASSIFICATION AND
COMPENSATION OF NON-UNION PAY POSITIONS

WHEREAS, pursuant to the City of Garfield Heights Codified Ordinances Chapter 141, it is necessary from time to time to amend and supplement the City's plan of classification and compensation of positions in a consolidated format, and

WHEREAS, it is the Mayor's desire to do the following:

- 1) Remove Part-Time positions from Exhibit A and authorize the Mayor to establish Part-Time positions and assign pay classes to those Part-Time positions as needed, subject to the availability of funds.
- 2) Transition Exhibit B to pay ranges rather than steps.
- 3) Authorize an automatic increase to the lowest and highest pay in each range on the first pay period of each year.
- 4) Adds an Administrative Assistant in the Executive Office.
- 5) Adjusts Pay Class for the MIS Manager to coincide with most other Managers.
- 6) Adds two Housing Enforcement Coordinators to address the approximate 2,500 annual rental inspections and 700 annual point of sale inspections. The positions will be funded by the increased fees City Council previously approved.

NOW, THEREFORE BE IT ORDAINED BY THE COUNCIL OF THE CITY OF GARFIELD HEIGHTS, OHIO, THAT:

SECTION 1. The City of Garfield Heights' current plan of classification and compensation shall read as indicated in Exhibit A, attached hereto, incorporated herein, and expressly made a part hereof by reference as though fully rewritten.

SECTION 2. Exhibit B, attached hereto, incorporated herein, and expressly made a part hereof by reference as though fully rewritten, shall be utilized as a guide for setting employee pay rates, but in no circumstance shall the base pay rate for any given range exceed the highest rate for the range unless duly authorized by separate legislation of this Council.

SECTION 3. *Part Time Positions:* Part-Time positions listed on Exhibit A shall be removed. The Mayor is authorized to establish Part-Time positions and assign pay classes to Part-Time employees as needed, subject to the availability of funds.

SECTION 4. *Pay Ranges:* the lowest and highest rates of each class of the newly consolidated pay ranges in Exhibit B shall be increased the first pay period of each year by 3%. The annual increases to the ranges will not automatically increase any individual's pay, unless they are at the bottom of the pay grade. Rather, individuals will be periodically evaluated and considered for merit increases on a case-by-case basis.

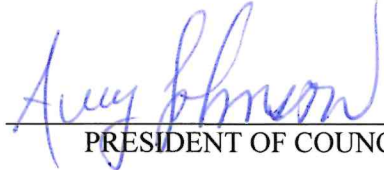

SECTION 5. Transitioning employees: In the event an employee is preparing to leave the service of the City (i.e. retirement, resignation, termination, etc.), the City shall be permitted to hire and employ an additional person at that same position for a period not to exceed ninety (90) days for the purposes of training the new employee.

SECTION 6. Existing Ordinance No. 66-2024 and any other non-union pay ordinances of the City of Garfield Heights, Ohio, is hereby repealed insofar as it is inconsistent with the provisions contained herein on and after the effective date of this Ordinance.

SECTION 7. Council declares this Ordinance to be an emergency measure necessary for the preservation of the public health, safety and welfare; therefore, this Ordinance shall be in full force and effect immediately upon the adoption by Council and approval by the Mayor; otherwise from and after the earliest period allowed by law.

Client acknowledges and agrees that Subprocessors may process Client Data in accordance with the terms of this Agreement, the Privacy Policy and any Order Form. TCP's agreements with its Subprocessors impose data protection-related processing terms on such Subprocessors that are no less protective than the terms imposed on TCP in this Agreement and the Privacy Policy. The Privacy Policy contains an overview of the categories of Subprocessors involved in the performance of the relevant TCP Services. The appointment of a Subprocessor to perform part or all the TCP Services hereunder shall not relieve TCP of any liability under this Agreement.

3. Data Security.

3.1 Security Standards.

3.1.1 TCP shall implement reasonable security procedures consistent with industry standards to protect Client Data from unauthorized access, including without limitation (i) industry-standard encryption of data at rest within TCP's data centers; (ii) web application firewalls; (iii) virus detection and anti-virus software; (iv) authentication techniques, such as user names and passwords, or authorization formats, which limit access to particular TCP personnel; and (v) additional security controls consistent with SOC 2 Type II reporting standards.

3.1.2 The Parties shall implement administrative, technical and physical security procedures consistent with industry standards and applicable data protection laws to protect Client Data from unauthorized access, including by adopting access policies that prevent the internal sharing or inadvertent communication of login credentials.

3.1.3 Client is responsible for reviewing the information made available by TCP relating to data security and making an independent determination as to whether the TCP Services meet Client's requirements and obligations under applicable data protection laws. Client acknowledges that data security measures taken by TCP are subject to technical progress and development and TCP may update or modify such security measures from time to time, provided that such updates and modifications do not result in the degradation of the overall security of the TCP Services.

3.2 Security Breach Notifications. TCP will promptly report to Client any unauthorized access to Client Data within TCP's or its Subprocessors' systems upon discovery and in accordance with applicable data breach notification laws. TCP will use diligent efforts to promptly remedy any breach of security that permitted such unauthorized access. TCP's notification of or response to any security incident under this

Section 3.2 shall not be construed as an acknowledgment by TCP of any fault or liability with respect to such security incident.

3.3 Data Backup and Retention. TCP shall undertake commercially reasonable efforts to backup Client Data with a restore point objective of twenty-four (24) hours. Client Data shall be backed up and retained in accordance with TCP's retention policy as set forth in the Privacy Policy.

4. Data Privacy. TCP will process Employee Personal Data in accordance with the terms of this Agreement, the Privacy Policy and all applicable data protection laws. Client must maintain its own data collection, disclosure, retention, and storage policies in compliance with applicable law.

4.1 Biometric Data. To the extent that Client collects, captures, stores, or otherwise uses Biometric Data relating to an individual, Client must (i) first inform the individual from whom Biometric Data will be collected, in writing and prior to collecting his or her Biometric Data, that Biometric Data is being collected, stored, and/or used; (ii) indicate, in writing, the specific purpose(s) (which may not be other than employment-related purposes) and length of time for which Biometric Data is being collected, stored, and/or used; and (iii) receive a written release from the individual (or his or her legally authorized representative) authorizing the Client, TCP, TCP's third-party service providers (who are subject to restrictions no less restrictive than those imposed on TCP herein) to collect, store, and/or use the Biometric Data and authorizing the Client to disclose such Biometric Data to TCP and TCP's third-party service providers

4.2 Requests. Client agrees to adopt a commercially reasonable policy for managing data requests from Designated Users and Employees, which policy shall safeguard the rights of such data subjects and respect the original purpose of such data collection. Client, as the Party which determines the means and purposes for processing Client Data, shall be responsible for receiving, investigating, documenting, and responding to all Designated User and Employee requests for inspection or erasure of Personal Data.

4.3 Assistance. If Client receives a request from a Designated User or Employee to exercise such individual's rights under applicable data protection laws, and Client requires TCP's assistance to respond to such request in accordance with applicable data protection laws, TCP shall assist the Client by providing any necessary information and documentation that is under TCP's control. TCP shall be given reasonable time to assist the Client with such requests in accordance with applicable law.

4.4 Client's Privacy Policy. Where required by law, Client agrees to adopt a privacy policy in alignment with this Agreement and all applicable laws governing the collection, use, transfer and retention of Personal Data. Client agrees to provide TCP, upon reasonable request, Client's adopted privacy policy.

5. Confidential Information.

5.1 Each Party (the "Receiving Party") acknowledges that it will have access to certain confidential information of the other Party (the "Disclosing Party") concerning the Disclosing Party's business, plans, customers, software, technology and products, other information held in confidence by the Disclosing Party, and Personal Data. In addition, a Disclosing Party's confidential information will include (i) all information in tangible or intangible form that is marked or designated as confidential or that, under the circumstances of its disclosure, should be considered confidential, and (ii) the TCP Technology and related algorithms, logic, design, specifications, and coding methodology, and to the extent permitted by law, the terms and conditions of this Agreement, but not its existence (all of the foregoing being referred to as "Confidential Information").

5.2 The Receiving Party agrees that it will not use in any way, for its own account or the account of any third party, except as expressly permitted by, or required to achieve the purposes of, this Agreement, nor disclose to any third party (except as required by law or to that party's attorneys, accountants and other advisors as reasonably necessary), any of the Disclosing Party's Confidential Information, and will take reasonable precautions to protect the confidentiality of such Confidential Information in at least the same manner as is necessary to protect its own Confidential Information and in accordance with applicable data protection laws. To the extent that the Receiving Party is permitted to retransmit any Confidential Information it receives from the Disclosing Party, the mode of retransmission must be at least as secure as the mode by which the Disclosing Party transmitted the Confidential Information to the Receiving Party.

5.3 Information will not be deemed Confidential Information hereunder if such information: (i) is known to the Receiving Party prior to receipt from the Disclosing Party, whether directly or indirectly, from a source other than one having an obligation of confidentiality to the Disclosing Party; (ii) becomes known (independently of disclosure by the Disclosing Party) to the Receiving Party, whether directly or indirectly, from a source other than one having an obligation of confidentiality to the Disclosing Party; (iii) becomes publicly known or otherwise ceases to be secret or confidential, except through a breach of this Agreement by the Receiving Party; or (iv) is independently developed by the Receiving Party without use of or reference to the Confidential Information.

6. **Cooperation With Authorities.** If either Party is requested to disclose all or any part of any Confidential Information under a subpoena or inquiry issued by a court of competent jurisdiction or by a judicial or administrative agency or legislative body or committee, the Receiving Party shall (i) immediately notify the Disclosing Party of the existence, terms and circumstances surrounding such request; (ii) consult with the Disclosing Party on the advisability of taking legally available steps to resist or narrow such request and cooperate with the Disclosing Party on any such steps it considers advisable; and (iii) if disclosure of the Confidential Information is required or deemed advisable, exercise its best efforts to obtain an order, stipulation or other reasonably acceptable assurance that the Confidential Information or part thereof required to be disclosed shall retain its confidentiality and remain otherwise subject to this Agreement.

Although TCP will not systematically monitor the Client Data, TCP reserves the right, upon prior written notice to Client, to remove access to Client Data to comply with applicable law, provided, however, that access to such Client Data will be restored upon a mutual determination of the Parties that such Client Data is in compliance with, or has been modified to be in compliance with, applicable law.

7. Supplemental Services; Master Agreement.

7.1 TCP may provide to Client supplemental services in accordance with a Statement of Work or a separate services agreement.

7.2 Client may elect to purchase additional products and services via Order Forms from time to time. The Parties agree that this Agreement is a master agreement such that additional transactions, excluding leased hardware, will be governed by the terms and conditions hereof. Pricing for additional transactions shall be in accordance with TCP's then-current pricing schedule. Client agrees that absent TCP's express written acceptance thereof indicated by execution by an officer of TCP, the terms and conditions contained in any purchase order or other document issued by Client to TCP for the purchase of additional services, shall not be binding on TCP to the extent that such terms and conditions are additional to or inconsistent with those contained in this Agreement.

7.3 Hardware purchased from TCP and incorporated into TCP Services requires the purchase of a Hardware Support and Maintenance Agreement, which shall be renewed for the term of this Agreement.

8. Use Fees.

8.1 In consideration for the performance of the TCP Services, Client shall pay TCP the Use Fees. During the Term, Client will be billed in advance an amount equal to charges as indicated in the applicable invoice or Order Form. All other charges for TCP Services received and expenses incurred during a month will be billed at the end of the month in which the TCP Services were provided. Payment by Client for all Use Fees is due upon receipt of each TCP invoice, and in no event shall such payment be received by TCP later than thirty (30) days after the invoice, except in cases where a Net Terms Agreement has been authorized by TCP. All payments will be made to TCP in U.S. dollars.

8.2 TCP Services charges will be equal to the number of total Active Licenses multiplied by the Monthly License Fee which is based on the aggregated Permissions for each Active License. Client is responsible for Monthly License Fees for the maximum number of Active Licenses during any calendar month. Client may add additional Employees, Designated Users and Permissions as desired each month by paying the Monthly License Fees on the next billing cycle. Client agrees to promptly update the status in the TCP Services for any Active License which has been terminated or suspended.

8.3 Employees and Designated Users added at any time during a calendar month will be charged in full for that billing period. Because Client is billed in advance for TCP Services, if Client increases its Active License count or increases Permissions during a calendar month, Client will receive an invoice reflecting the increased Active License count with overage charges incurred from the previous month and prorated over the number of months remaining in the Term.

8.4 Hardware Support and Maintenance charges will be equal to the percentage set forth in the applicable Hardware Support and Maintenance Agreement multiplied by the total purchase price of the Supported Hardware.

8.5 Except as set forth in Section 8.6 of this Agreement, after the first anniversary of this Agreement, TCP may increase the Use Fees at any time effective thirty (30) days after providing notice to Client; provided, however, that any such increase will not occur more than once in a consecutive twelve (12) month period.

8.6 Client may prepay greater than one (1) year with TCP Services and, in doing so, suspend any increase in Use Fees until expiration of the Initial Term. After the Initial Term, TCP may increase the Use Fees by no more than 10% at any time effective thirty (30) days after providing notice to Client; provided, however, that any such increase will not occur more than once in a consecutive twelve (12) month period.

9. **Taxes.** As applicable, Client shall, in addition to the other amounts payable under this Agreement, pay all sales, use, value added or other taxes, whether federal, state or local, however named, arising out of the transactions contemplated by this Agreement, except that Client shall not be liable for taxes based on TCP's aggregate income.

10. **Term; Guaranteed Payment.** This Agreement commences on the Effective Date and, unless terminated earlier in accordance with Section 11, will remain in effect for the term specified in the applicable Order Form ("Initial Term") and then shall automatically renew for subsequent terms consistent with the Initial Term thereafter, unless either Party gives written notice of non-renewal at least thirty (30) days prior to the end of the then current term (the Initial Term and subsequent renewal terms being referred to as the "Term"). For avoidance of doubt, except as otherwise set forth in the terms and conditions of this Agreement, all fees mutually agreed to in an Order Form are committed and non-cancelable.

11. **Termination for Cause.** A Party may terminate this Agreement for cause if (i) the other Party breaches any material term or condition of this Agreement and fails to cure such breach within thirty (30) days after receipt of written notice of the same, or in the case of failure to pay Use Fees, thirty (30) days; (ii) the other Party becomes the subject of a voluntary petition in bankruptcy or any voluntary proceeding relating to insolvency, receivership, liquidation or composition for the benefit of creditors; or (iii) the other Party becomes the subject of an involuntary petition in bankruptcy or any involuntary proceeding relating to insolvency, receivership, liquidation or composition for the benefit of creditors, and such petition or proceeding is not dismissed within sixty (60) days of

filing. Notwithstanding the foregoing, if a material breach by Client, by its nature, cannot be cured, TCP may terminate this Agreement immediately.

12. Effect of Termination. Without prejudice to any right or remedy of a Party with respect to the other Party's breach hereunder, upon the effective date of any termination of this Agreement:

12.1 TCP's obligation to provide the TCP Services shall immediately terminate;

12.2 after such termination and upon Client's reasonable request, no later than thirty (30) days from termination, TCP shall provide Client Data to Client in a SQL database file format; and

12.3 within thirty (30) days of such termination, each Party will destroy or return all additional Confidential Information of the other Party in its possession and will not make or retain any copies of such Confidential Information except as required to comply with any applicable legal or accounting record keeping requirement.

13. Intellectual Property Ownership. Subject to the limited rights expressly granted hereunder, TCP reserves all right, title, and interests in and to the TCP Services and TCP Technology, including all intellectual property rights embodied therein, which shall remain the sole and exclusive property of TCP or its licensors. No rights are granted to Client hereunder other than as expressly set forth herein. This Agreement does not transfer from TCP to Client any ownership interest in the TCP Services or TCP Technology and does not transfer from Client to TCP any ownership interest in Client Data.

14. Client Representations and Warranties.

14.1 Client represents and warrants that (i) it has the legal right to enter into this Agreement and perform its obligations hereunder, and (ii) the performance of Client's obligations and use of the TCP Services by Client, its Designated Users and Employees will not violate any applicable laws, including all applicable domestic and international data protection laws, or cause a breach of duty to any third party, including Employees.

14.2 Client represents and warrants that all Personal Data included in the Client Data has been collected from all Employees and Designated Users and will be transferred to TCP in accordance with all applicable data protection laws, including, but not limited to, the EU General Data Protection Regulation 2016/679 and the Illinois Biometric Information Privacy Act, to the extent applicable. Client acknowledges and agrees that (i) TCP is a service provider and processes Client Data solely on behalf of and at the direction of Client, and exercises no control whatsoever over the content of the Client Data passing through the TCP Services or that is otherwise transferred by Client to TCP, and (ii) it is the sole responsibility of Client to ensure that the Client Data passing through the TCP Services or that is otherwise transferred by Client to TCP complies with all applicable laws and regulations, whether now in existence or hereafter enacted and in force.

14.3 Client represents and warrants that its Affiliates' use of the TCP Services, if any, shall not relieve Client of any liability under this Agreement, and Client shall be responsible and liable for the acts and omissions of its Affiliates hereunder as if performed or omitted by Client.

14.4 In the event of any breach of any of the foregoing representations or warranties in this Section 14, in addition to any other remedies available at law or in equity, TCP will have the right to suspend immediately any TCP Services if deemed reasonably necessary by TCP to prevent any harm to TCP and its business. TCP will provide notice to Client and an opportunity to cure, if practicable, depending on the nature of the breach. Once cured, TCP will promptly restore the TCP Services.

15. TCP Representations and Warranties. TCP represents and warrants that (i) it has the legal right to enter into this Agreement and perform its obligations hereunder, and (ii) the performance of its obligations and delivery of the TCP Services to Client will not violate any applicable laws or regulations of the United States or cause a breach of any agreements between TCP and any third parties.

16. Mutual Representations and Warranties. Each Party represents and warrants that it has implemented a comprehensive written information security program that includes appropriate administrative, technical and physical safeguards to: (i) ensure the safety and confidentiality of Personal Data; (ii) protect against unauthorized access to and use of Personal Data; (iii) protect against anticipated threats or hazards to the security or integrity of Personal Data, and (iv) comply with applicable data protection laws.

17. Limited Warranty. TCP represents and warrants that the TCP Services and related products, as described with this Agreement, will perform in accordance with all TCP published documentation, contract documents, contractor marketing literature, and any other communications attached to or referenced in this Agreement and that the TCP Services will be free of errors and defects that materially affect the performance of the TCP Services ("Limited Warranty"). Client's sole and exclusive remedy for breach of the Limited Warranty shall be the prompt correction of non-conforming TCP Services at TCP's expense.

18. Warranty Disclaimer. EXCEPT FOR THE EXPRESS LIMITED WARRANTY SET FORTH IN SECTION 17 (LIMITED WARRANTY), THE TCP SERVICES ARE PROVIDED BY TCP ON AN "AS IS" BASIS, AND CLIENT'S USE OF THE TCP SERVICES IS AT CLIENT'S OWN RISK. TCP AND ITS SUPPLIERS DO NOT MAKE, AND HEREBY DISCLAIM, ANY AND ALL OTHER EXPRESS AND/OR IMPLIED WARRANTIES, INCLUDING WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AGAINST HIDDEN DEFECTS, AND ANY WARRANTIES ARISING FROM A COURSE OF DEALING, USAGE OR TRADE PRACTICE. TCP DOES NOT WARRANT THAT THE TCP SERVICES WILL BE UNINTERRUPTED OR ERROR-FREE. NOTHING STATED OR IMPLIED BY TCP WHETHER THROUGH THE TCP SERVICES OR OTHERWISE SHOULD BE CONSIDERED LEGAL COUNSEL. TCP HAS NO RESPONSIBILITY TO NOTIFY CLIENT OF ANY CHANGES IN THE LAW THAT MAY AFFECT USE OF THE TCP SERVICES. ANY ORAL STATEMENT OR

IMPLICATION BY ANY PERSON CONTRADICTING THE FOREGOING IS UNAUTHORIZED AND SHALL NOT BE BINDING ON TCP. CLIENT ACKNOWLEDGES THAT IN ENTERING INTO THIS AGREEMENT, CLIENT HAS RELIED UPON CLIENT'S OWN EXPERIENCE, SKILL AND JUDGMENT TO EVALUATE THE TCP SERVICES AND THAT CLIENT HAS SATISFIED ITSELF AS TO THE SUITABILITY OF SUCH SERVICES TO MEET CLIENT'S BUSINESS AND LEGAL REQUIREMENTS.

19. Indemnification.

19.1 Client hereby acknowledges and agrees that TCP may not be aware of all rights available to Client's Designated Users or Employees under all data protection regimes. Client, to the extent permitted by law, shall indemnify, defend and hold harmless TCP, its Affiliates, Subprocessors, officers, managers, directors, employees, agents, advisors and other representatives (the "TCP Indemnitees") from and against any lawsuit, liability, loss, cost or expense (including reasonable attorneys' fees) actually incurred or suffered by TCP Indemnitees of every kind and nature to the extent caused by or resulting from (i) any breach of a representation or warranty made by Client under this Agreement; or (ii) a third-party claim made against a TCP Indemnitee arising from or related to Client's failure to comply with any applicable domestic or foreign data protection laws or regulations. Client shall have the right to control any defense provided pursuant to this Section 19.1, provided, however, that Client shall not, without TCP's prior written consent, (A) enter into any settlement or compromise or consent to the entry of any judgment that does not include the delivery by the claimant or plaintiff to the applicable TCP Indemnitee of a written release from all liability in respect of such third party claim, or (B) enter into any settlement or compromise with respect to any third party claim that may adversely affect the applicable TCP Indemnitee other than as a result of money damages or other monetary payments that are indemnified hereunder.

19.2 TCP will indemnify, defend and hold harmless Client and its Affiliates (the "Client Indemnitees") from and against any lawsuit, liability, loss, cost or expense actually incurred or suffered by a Client Indemnitee of every kind and nature to the extent caused by or resulting from a third-party claim made against a Client Indemnitee that the TCP Technology infringes on any U.S. intellectual property right of a third party; provided, however, that TCP is notified in writing of such claim promptly after such claim is made upon Client. TCP shall have the right to control any defense provided pursuant to this Section 19.2. In no event shall Client settle any such claim without TCP's prior written approval. If such a claim is made or if the TCP Technology, in TCP's opinion, is likely to become subject to such a claim, TCP may, at its option and expense, either (i) procure the right to continue using the TCP Technology or portion thereof, or (ii) replace or modify the TCP Technology or portion thereof so that it becomes non-infringing. If TCP determines that neither alternative is reasonably practicable, TCP may terminate this Agreement with respect to the portion of the TCP Technology infringing or alleged to infringe. TCP shall have no liability or obligation under this Section 19.2 if the claim arises from (i) any alteration or modification to the TCP Technology other than by TCP, (ii) any combination of the TCP Technology with other programs or data not furnished by TCP, or (iii) any use of the TCP Technology prohibited by this Agreement or otherwise outside the scope of use for which the TCP Technology is intended.

20. Liability Limitation. Except for claims arising out of Section 19.2 (TCP's Intellectual Property Indemnity) and Section 5 (Confidential Information), in no event shall TCP's aggregate liability, if any, including liability arising out of contract, negligence, strict liability in tort or warranty, or otherwise, exceed the sum of amounts paid by Client to TCP during the twelve (12) months immediately prior to the date of the claim.

21. Notices. Any notice or communication required or permitted to be given hereunder may be delivered by hand, deposited with an overnight courier, sent by email (provided delivery is confirmed), or U.S. Mail (registered or certified only), return receipt requested, to the address set forth on the initial page hereof.

22. Assignment. This Agreement shall not be assigned by either Party without the prior written consent of the other Party, which shall not be unreasonably withheld; provided, however, that either Party may, without the prior consent of the other, assign all of its rights under this Agreement to (i) such Party's parent company or a subsidiary of such Party, (ii) a purchaser of all or substantially all of such Party's assets related to this Agreement, or (iii) a third party participating in a merger, acquisition, sale of assets or other corporate reorganization in which such Party is participating. This Agreement shall bind and inure to the benefit of the Parties and their respective successors and permitted assigns.

23. Continuing Obligations. Those clauses the survival of which is necessary for the interpretation or enforcement of this Agreement shall continue in full force and effect in accordance with their terms notwithstanding the expiration or termination hereof, such clauses to include the following: (i) any and all warranty disclaimers, limitations on or limitations of liability and indemnities granted by either Party herein; (ii) any terms relating to the ownership or protection of intellectual property rights or Confidential Information of either Party, or any remedy for breach thereof; and (iii) the payment of taxes, duties, or any money to either Party hereunder.

24. Marketing. During the Term hereof, Client agrees that TCP may publicly refer to Client, orally and in writing, as a customer of TCP. Any other reference to Client by TCP requires the written consent of Client.

25. Force Majeure. Except for the obligation to make payments, neither Party will be liable for any failure or delay in its performance under this Agreement due to any cause beyond its reasonable control, including acts of war, terrorism, acts of God, epidemic, earthquake, flood, embargo, riot, sabotage, labor shortage or dispute, governmental act or complete or partial failure of the Internet (not resulting from the actions or inactions of TCP), provided that the delayed Party: (i) gives the other Party prompt notice of such cause, and (ii) uses its reasonable commercial efforts to promptly correct such failure or delay in performance.

26. Dispute Resolution. For any dispute, controversy or claims arising out of or relating to this Agreement or the breach, termination, interpretation or invalidity thereof or any Invoice, or Order Form, the Parties shall endeavor for a period of two (2) weeks to resolve the Dispute by negotiation. This period may be extended by mutual agreement

of the Parties. In the event the Dispute is not successfully resolved, the Parties agree to submit the Dispute to litigation in a court of competent jurisdiction.

27. Waiver of Jury Trial. EACH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL ACTION, PROCEEDING, CAUSE OF ACTION, OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT, INCLUDING ANY EXHIBITS, SCHEDULES, AND APPENDICES ATTACHED TO THIS AGREEMENT, OR THE TRANSACTIONS CONTEMPLATED HEREBY. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE OF THE OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT THE OTHER PARTY WOULD NOT SEEK TO ENFORCE THE FOREGOING WAIVER IN THE EVENT OF A LEGAL ACTION, (B) IT HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (C) IT MAKES THIS WAIVER KNOWINGLY AND VOLUNTARILY, AND (D) IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 27.

28. Class Action Waiver. THE PARTIES WAIVE ANY RIGHT TO ASSERT ANY CLAIMS AGAINST THE OTHER PARTY AS A REPRESENTATIVE OR MEMBER IN ANY CLASS OR REPRESENTATIVE ACTION, EXCEPT WHERE SUCH WAIVER IS PROHIBITED BY LAW OR DEEMED BY A COURT OF LAW TO BE AGAINST PUBLIC POLICY. TO THE EXTENT EITHER PARTY IS PERMITTED BY LAW OR COURT OF LAW TO PROCEED WITH A CLASS OR REPRESENTATIVE ACTION AGAINST THE OTHER, THE PARTIES AGREE THAT: (I) THE PREVAILING PARTY SHALL NOT BE ENTITLED TO RECOVER ATTORNEYS' FEES OR COSTS ASSOCIATED WITH PURSUING THE CLASS OR REPRESENTATIVE ACTION (NOT WITHSTANDING ANY OTHER PROVISION IN THIS AGREEMENT); AND (II) THE PARTY WHO INITIATES OR PARTICIPATES AS A MEMBER OF THE CLASS WILL NOT SUBMIT A CLAIM OR OTHERWISE PARTICIPATE IN ANY RECOVERY SECURED THROUGH THE CLASS OR REPRESENTATIVE ACTION.

29. Applicable Law; Jurisdiction; Limitations Period. This Agreement shall be construed under the laws of the State of Texas, without regard to its principles of conflicts of law. To the extent permitted by law, no action, regardless of form, arising out of this Agreement may be brought by either Party more than one (1) year after the cause of action has arisen.

30. Counterparts; Facsimile Signatures. This Agreement may be executed in multiple counterparts, each of which, when executed and delivered, shall be deemed an original, but all of which shall constitute one and the same instrument. Any signature page of any such counterpart, or any email transmission thereof, may be attached or appended to any other counterpart to complete a fully executed counterpart of this Agreement, and any email transmission of any signature of a Party shall be deemed an original and shall bind such Party.

31. Miscellaneous. This Agreement constitutes the entire understanding of the Parties with respect to the subject matter of this Agreement and merges all prior communications, understandings, and agreements. This Agreement may be modified only by a written agreement signed by the Parties. In the case of any conflict between this Agreement and the Privacy Policy, the Privacy Policy shall control. The failure of either Party to enforce any of the provisions hereof at any time shall not be a waiver of such provision, any other provision, or of the right of such Party thereafter to enforce any provision hereof. If any provision of this Agreement is declared invalid or unenforceable, such provision shall be deemed modified to the extent necessary and possible to render it valid and enforceable. In any event, the unenforceability or invalidity of any provision shall not affect any other provision of this Agreement, and this Agreement shall continue in full force and effect and be construed and enforced as if such provision had not been included or had been modified as above provided.

Dear Mr. Sikon:

Kimble Recycling & Disposal, Inc., (“Kimble”) is pleased to provide the City of Garfield Heights (“Community”) with the following proposed Extension Agreement for the extension of our existing Contract:

WHEREAS, Kimble and the Community originally entered into an agreement for the collection and disposal of solid waste and recyclables on June 3rd, 2021. (hereinafter “Contract”);

A RESOLUTION DECLARING SUPPORT FOR THE
PRESERVATION OF THE FEDERAL TAX EXEMPTION OF
MUNICIPAL BONDS, AND DECLARING AN EMERGENCY

WHEREAS, the tax-exempt municipal bond market is a widely used source of capital for states, local governments, tribes, territories, and non-profit borrowers that finances a tremendous share of the nation's public infrastructure; and

WHEREAS, state and local governments finance about three-quarters of the public infrastructure in the United States and use tax-exempt bonds to do so, with the federal government providing only about one-quarter of the investment; and

WHEREAS, federal tax exemption for municipal bonds, dating back to the 1800s and incorporated into the modern tax code in 1913, has been crucial for state and local governments to affordably finance critical infrastructure projects; and

WHEREAS, tax-exempt bonds offer borrowers to achieve a multiplier effect of 2.11, meaning that for every dollar, borrowers achieve \$2.11 in borrowing cost savings thereby demonstrating the efficiency and effectiveness of this exemption in facilitating infrastructure investment; and

WHEREAS, tax-exempt bonds provide for essential infrastructure projects, such as roads, bridges, utilities, broadband, water and sewer systems, and hospitals, which are vital to the health and well-being of our community such that without such bonds, the cost of borrowing would be more expensive thereby causing an increase in taxes and fees that would place an undue burden on taxpayers; and

WHEREAS, the Garfield Heights City Council ("Council") finds and determines that tax-exempt municipal bonds provide an opportunity for economic development along its path, better facilitate the movement of agriculture products, equipment, and other goods, and increase safety.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Garfield Heights, County of Cuyahoga, the State of Ohio, that:

SECTION 1. The City of Garfield Heights encourages the State of Ohio Congressional Delegation to assist the City of Garfield Heights by preserving the tax-exempt status of municipal bonds by supporting and ensuring the protection of the federal tax exemption of municipal bonds

SECTION 2. The Clerk of Council is hereby authorized and directed to transmit a copy of this Resolution to all members of the State of Ohio Congressional Delegation.

SECTION 3. Council declared this Resolution to be an emergency measure necessary for the immediate preservation of the public health, safety, and welfare and shall be in full force and effect immediately upon its adoption by this Council and approval by the Mayor, otherwise from and after the earliest period allowed by law.
