

City of Garfield Heights
Saturday In-House Learn to Play Hockey Program
Final 2 Winter Sessions this Season

Starting at Age 3 & up

The City of Garfield Heights Youth Hockey would like to introduce you to the game of Hockey & the sport of Ice Skating. We have the most affordable fees in North East Ohio, easily accessible and centrally located off of I-480. We would love to see your child begin their love of the ice and advance through our programming. The USA hockey model is to grow the game through Diversity, Equality, and Inclusion. This program is designed for those who want to learn the fundamentals of hockey without making a full season commitment, purchasing full equipment, or traveling and added expenses. The following skills will be taught on a regular basis: stick handling, puck control, passing, shooting and skating skills.

Not sure if your child will like hockey or ice skating?

January is National Skating Month – join us on one of these dates for a “try before you buy”
for free!

Wednesday – January 7th from 5:30 pm – 6:30 pm

Must wear bicycle helmet, gloves & socks – rental skates will be provided.

Parent or Legal Guardian must accompany child & sign waiver before taking the ice for these sessions.

*No special walk-ons or try-outs will be allowed during the session once it has started, please
attend the structured free trial.*
