

STICK AND PUCK

For youth players looking for extra practice times. Stick and puck sessions are scheduled when there is extra ice available and do not follow specific consistent schedule.

Note: the office will keep a list of participants attending our sessions, if sessions become too popular and crowded – we will limit participation to 20 players/persons – **the management reserves the right to limit and cancel any session without advance notice.** Mandatory for everyone on the ice is helmet and gloves, parents going on the ice with mites or squirts must wear a helmet, however full hockey gear is highly recommended for all participants.

Cost: cost is set by management – some sessions will be reduced rate and noted on the flyer – all sessions are \$20.00 otherwise.

Rules:

- Stick and Puck is a session for hockey players to come out and practice their stick and puck handling, along with shooting skills. This is not an organized training time. Please be aware of other players on the ice to maintain safety on the sessions.
- Payment must be made at the front desk/admission window, and first and last name given to the office attendant, locker room keys/usage will be given at the discretion of the rec staff.
